

# INTERGROUP OFFICE — LIMITED OPENING —

St. Paul Intergroup will, in accord with the Governors guidance, do a limited opening of our office. While our phone services will continue as they have previously, we will now be providing “**Curbside Pickup**” for items purchased from our inventory. We will not be able to allow persons inside the store for shopping.

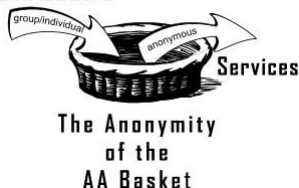

To that end, *we are announcing the opening of an online store.* While we do not yet have all our inventory listed in the store - we will be adding items as quickly as we can until we have our full inventory available for online purchase.

## PROCEDURE FOR ONLINE ORDERING AND SHIPPING OR PICKUP.
