

# Keeping Our Directory Strong: Monthly Outreach Meeting

Making a Difference, One Meeting at a Time

## **What is this?**

Keeping our AA meeting directories accurate matters. Join us via Zoom every second Thursday at 5:00 PM to help visit and verify local meetings. Open to all AA members who can visit meetings in the St. Paul area.

## **More About Group Outreach**

Our committee serves a vital role in maintaining reliable meeting information for the AA community. Members visit groups that may not currently have an Intergroup representative or financial connection to Intergroup. These visits help verify meeting details like location, format, and accessibility, while also sharing information about Intergroup services and inviting groups to participate in our monthly Intergroup Council meetings. We prioritize visiting groups marked as Missing-in-Action (MIA) and work to reach every meeting in our directory. Whether you can visit one meeting or many, your help makes a difference in keeping our community connected. The Saint Paul Intergroup thanks you for your service.
